Compliance Requirements for EU 2025/40 -Packaging & Packaging Waste Regulation (PPWR)

Please accept this document as acknowledgement that all Retail Packaging products (Cartons and leaflets) manufactured by Hartgraph Limited (the manufacturer) comply with the mandatory PPWR requirements:

- **Substance Restrictions:** Contains no restricted heavy metals (Limit: < 100 mg/kg) and conforms to PFAS limits for food contact/general packaging.
- **Design & Minimisation:** Where design of the cartons or leaflets is within our control, all efforts to minimise volume and weight while maintaining necessary functionality are made.
- **Recyclability:** Where choice of materials for cartons or leaflets is within our control the product is designed to be recyclable, using mono-materials/compatible inks and adhesives.

Thank you.

S C Walters (Joint Managing Director)
