

UK REACH DECLARATION – JUNE 2025

The REACH etc (Amendment etc) (EU Exit) Regulations 2019 (S.I 2019/758)

Hartgraph Ltd is aware of the legislative developments regarding the regulation of the industrial chemical substances in the United Kingdom and in particular The REACH etc (Amendment etc) (EU Exit) Regulations 2019 (Statutory Instrument 2019/758).

Hartgraph Ltd is fully committed to work with its customers and suppliers along the entire supply chain to develop workable solutions to the challenges of REACH.

There are no known substances from our supply chains released from our use of chemicals under normal, reasonably foreseeable conditions as defined by Article 7(1) and as such we have not applied for registration to the agency.

SUBSTANCES OF VERY HIGH CONCERN (SVHC)

We work closely with all our suppliers to ensure that any SVHC's are flagged to us immediately, we hold full SDS sheets for every chemical that is used on site and risk assessment copies are available on request relating to COSHH.

We are committed to comply in every respect to the requirements of REACH and relevant amendments.

Please be sure that we are closely monitoring any issue that may affect our supply chain and that we will communicate in due time, any issues that could affect our supply to you.

This statement is based on our current level of knowledge and covers downstream substances applied to as the manufacturer and end user of commercial print and packaging.

Hartgraph makes no warranties, express or implied and assumes no liability in connection with the use of this information.
